

SPRING DANCE PRODUCTION

Friday June 12th, Saturday June 13th
7:30 P.M.
Norwalk High School Performing Arts Center
350 Shady Lane Drive

The doors to the school open at 6:00. Dancers have access to the dressing rooms, but the lobby will not open for ticket purchases or redemptions until 6:30. **The auditorium doors will not open until 6:45; nobody will be permitted in the auditorium until this time.** Please make sure you inform anyone who is coming to watch your child of this.

All dancers need to be dressed and ready to perform by 6:30. The dancers are to remain in their designated dressing rooms, which are located behind the stage. Please ensure your child has proper supervision; if she is too young to be left unattended at home, she is too young to be left unattended in the dressing room. Please do not assume that other parents will be supervising your child in your absence.

Please be sure to clean up after yourself each night when you leave dressing room. Do not leave trash, candy/food wrappers, etc. for other parents or janitorial staff to clean. Not only does leaving trash behind reflect poorly on our dance studio, it jeopardizes the ability to use the facility the following year.

The backstage workers will retrieve dancers from the dressing rooms only; they will not search the auditorium or lobby for dancers. Nobody is permitted behind stage besides dancers and the backstage crew.

Dancers must have the proper shoes and tights. Underwear is often visible from the audience and should not be worn under tights. They also need to apply makeup heavily. The auditorium is large and the stage lights are bright; dancers' faces need to be seen on stage. Heavy eye makeup and bright lipstick are required. Please style hair so that it is neat and off the face.

Videotaping of the performance is not permitted. Videotaping is permitted at dress rehearsal only. We prohibit videotaping so that the audience can enjoy a performance without distractions, and also to prevent random audience members from taping your child. DVD's will be available for you to purchase.

Anyone who plans to enter the auditorium during the show must have a ticket. This includes mothers who go back and forth from the dressing room to the auditorium.

Even though this is a long weekend with late nights, please make every effort to allow your dancer to stay and participate in the finale. They have worked so hard all year long for their special moment on stage.
